Running feeling my heart pounding I got to do this got to make it was all that was going through my head as I Davis Motomia was about to score the winning goal when he ran by The perfect boy with his perfect hair, teeth, and body T.K. ah just so perfect so... *Davis what are you doing focus!*

the coach's voice yelling for my attention I realized now I had tripped over my own two feet not only missing the shot but giving the other team the winning advantage I looked over to see the popular and lovable cheer leader kairi looking over and giggling at me 'Great she must think I'm such a klutz I said feeling my face turn red with embarrassment' But wait there was someone else there o man why did T.K. have to be looking to I saw those perfect teeth of his form a smile from his laughter. He then ran over to help me up "Jeez.... Davis could you... be more of a klutz". He said panting breath after breath sweat glistening down his face just making him look even more perfect almost angelic.

"Shut up T.P." I usually called him anything but T.K. because you see well I guess you could sort of say that I have a thing for T.K. not just him but his everything he is just so I don't know he just is. "So anyway" He said stretching his hand out to help me off the soccer field. "I don't know about you but after running around the track like that I'm beat want to go to your house and do something?"

Do something! Heck yea there are a lot of things we can do I could say how perfect you are how much I love you and just take care of you and so many things.

"Yoo-hoo Davis anyone home in there" He said knocking on my skull.

"Yea someone is here!" Running feeling my heart pounding I got to do this got to make it was all that was going through my head as I Davis Motomia was about to score the winning goal when he ran by The perfect boy with his perfect hair, teeth, and body T.K. ah just so perfect so... *Davis what are you doing focus!*

"Yoo-hoo Davis anyone home in there" He said knocking on my skull.

"Yea someone is here!" I playfully said smacking his hand from my head.

"Um we could go to my place and watch T.V. or something" *"Ok sounds good then"* He said looking at me.

We caught the bus to go home finally we arrived at my house. "Mom, Dad, Jun, is anybody home?" Ha looks like your unloved Davis" Said T.K. poking me with his elbow *"Whatever shut up come in don't forget to take off your shoes"*

I said as I slipped my shoes behind the door. We walked up the stairs to my room *"Dude I wreck do you mind if I use your shower?"* *"No that's fine man go ahead I said"* As I sat on my bed I slowly watched T.K. undress he first took off his hat revealing his shiny blond hair glistening with sweat, then his shirt showing his soft yet toned chest then his pants and underwear then I noticed as he removed his white socks I never noticed but T.K. had wonderful feet they seemed to be about maybe size 12 not big but not small just perfect like the rest of him. They were so soft and just delicious. Once I heard the water running I stopped and thought about T.K. more not just him but his feet the sight and thought were driving me mad with lust. I looked over by the door to see his socks. Slowly I held them in my hands like a precious jewel, I leaned in and took a slight whiff they smelled of sweat and something else something exotic and wonderful that could only be described as T.K. I heard the water turn off and put his socks on the floor. T.K. walked out of the room wearing nothing but a towel.

"Hey Davis can I borrow some clothes seeing as how mine are kind of smelly?" "Sure first drawer has my shirts the second has pants pick whatever you like"

Or don't pick anything at all I finished in my head. T.K. picked out a blue shirt and red shorts he turned to me with a shy look on his face "Um Davis would you mind turning around I'm kind of embarrassed about being naked in front of you."

As much as the thought of seeing him in such a way aroused me I had to shake it off O yea ha ha no problem" "I said as I walked out the door Ok Davis I'm done you can come back in now" "Davis where do you keep your socks?" Asked T.K. as I sat I thought socks! What the heck were socks anyway but something to cover up those nice looking feet of his?

"They are in the third drawer but why put on another pair I mean doesn't it feel better to just let your feet air out and be free?" "Yea actually it does" said T.K. as he started to wiggle his toes. Seeing this site made me think of a plan. "Hey T.K. do you wana watch a movie or something?" "Sure what did you have in mind?" "Um how about Dot Hack//Trilogy".

"Sure sounds great" He said lying on my bottom bunk. "Hey T.K. you might be more comfortable on the top bunk you will have more room up there" "Wow Davis your right" He said speaking to me from the top bunk, not realizing that by him sitting up on the top bunk. I had a perfect view of his feet. I pressed play on the DVD player and we started to watch the movie I tried to focus my attention on the movie but the site of T.K.'s feet dangling in front of my face like that, how I just wanted to lick touch and feel those feet of his. Just then I thought of something I reached my hand up and started to slightly tickle T.K.'s feet.

"Ha ha ha Davis what the heck ha ha are you doing!" "What do you think I'm doing, I'm tickling your feet genius". "I will show you whose the genius!" Said T.K. as he jumped down from the top bunk and started tickling my socked feet "ah ha ha ha T.K. stop please it's not fair!" Suddenly he stopped as if thinkin.

"Hmm your right Davis this isn't fair" Panting to regain my breath "I am?" I replied with a strong look of confusion "Yea your right it's not fair that you being tickled with your socks still on!" He said as he ripped both my socks off and started to tickle my feet. "T.K. stop ha ha I can't breathe" I said gasping for air "O you want me to stop huh, sure just as soon as you say that palmon is the best digimon" "What are you out of your mind!".

As I said this he was tickling my feet even faster now running his hands up the arches and soles of both my feet. "Fine Palmon is the best digimon!" said with slight reluctance in my voice "Ok now say that I should have been the leader of the digi-destined not you" He said as he started tickling my feet agai".

"ha ha now you have really gone insane!" I said trying to struggle free from his grip on my legs and feet. I managed to turn around and twist my foot free from one of his hands only to accidentally kick him right in the face. I heard him breathing deep through his nose. "O God T.K. I'm sorry I didn't mean to kick you in the face are you bleeding or anything!" I said in a panicked voice I then noticed he wasn't crying or anything was he actually sniffing my feet?

"um T.K." I said with a soft voice "Not that it's weird or anything but um are sniffing my feet?" He looked up at me with his crystal blue eyes. "Yep I sure am should I stop?" He asked with an almost sad look on his face. .. "No it's ok but um why do you think they smell so good?"

Not that I cared but my curiosity got the best of me. . *“Well cus um they smell like the fresh grass on the soccer field and some other smell from you like a natural scent”* **“Wow T.K. people usually say I stink after playing soccer.” He looked up at me and replied** *“Well I think they smell great”* **he replied taking another big whiff** *“You know T.K. things that usually smell good taste good too right?”* **I asked him with a big grin spread across my face hoping he would understand where I was going with this** *“ohh mm T.K. that feels so mmm good”* **I replied throughout my moans as his wet tongue slid across my toes** *“So mmm T.K. how do they taste?”* **I heard his mouth make a wet pop sound as he released my toe from his mouth** *“it taste kind of salty but just o so good.”* *“Oh well um do you mind if I try yours?”* **I asked staring at his feet.**

“Sure here ya go” **He said putting his foot directly in front of my face. I stared at his foot for a second just relishing this moment of bliss I was about to have. .** *“Hey Davis are you just going to look at it or are you going to smell it?”* **He said wiggling his toes right in on top of my nose. I paused and looked at his foot then I decided to skip the sniffing part and just grabbed his foot licking it all over like a puppy drinking from a water bowl.** *“Davis um.. mmm ahh what happened to the ahh sniffing part?”* **I looked at him flashing a big cheesy smile decided to skip that part and just go with this instead”** **I said licking his foot more being sure to taste every part of it.**

“Hey Davis can I try something?” **Asked T.K.** *“sure what did you mmm have in mind?”* **Realizing now that his other foot was rubbing against the bulge in my pants.** *“Ohh God T.K. I ah think I’m gona ah mm AH!”* **I saw a white light my pants felt wet and between having T.K.’s foot in my mouth and his other foot rubbing on my bulge I was in a area of pure pleasure** *“cum?”* **hearing T.K.’s voice I opened my eyes** *“T.K.man that was just oh wow I can’t even express in words what I just felt.”* **I said just looking at him with what I’m sure was a stupid look on my face but I didn’t care I just felt so good right now.**

“T.K. thank you for that but I feel like I should repay the favor” **As I was saying this I took some of the cum from my pants and spread it over my foot, looking at T.K. I smiled** *“You said earlier that you tasted something natural right well I don’t think your going to get more natural then this”* **I said holding my foot to his lips.** *“For once Davis I think you’re actually right about something.”* **He said taking my foot and licking it dry, while he was doing this I decided to make it better for him as he did me. I took my other foot rubbing his lower area** *“Ah Davis now I see why you said thank you this feels ah.. So mmm amazing”* **I felt his pants suddenly grow damp.** *“Looks like you enjoyed yourself huh T.P.”*

I said in a teasing manner *“Um T.K. I have to tell you something”* **I said raising his foot to my lips gently laying a soft kiss on his sole** *“I think I love you and even if you don’t feel the same way I just thought you have the right to know”.*

I looked down at the carpet on my floor great here it comes, now he is probably gona kick me and tell me how sick I am never speak to me again. As I said this my eyes started to water I could feel tears falling down my face just waiting for the screaming and T.K. walking out of my life forever. I felt one of my feet being raised up and gently being held

“T.K. please stop don’t break my ankle I need my feet for soccer, I’m sorry I know you must hate me and think I’m a freak I’m sorry!”

I shouted and broke down into tears, I felt soft lips touch the sole of my foot then a warm wet tongue moving to my toes then my foot being set down *“Davis what are you talking about?”* **I felt T.K.’s hand brush my face drying my tears** *“Davis I love you, and I just shared a personal moment with you something I probably wouldn’t want to share with anyone else and after what just happened*

between us I hope you feel the same." Energy rushed through my body as I jumped on top of T.K. and wrapped him in a warm hug.

"Then I guess that's a yes" Said T.K. as he returned the warm hug. Feeling tired from our previous actions we fell asleep holding each other hand and hand our legs and feet intertwined with each other "T.K." I softly spoke *"Do you think we can stay like this forever?"* He opened his eyes slowly and tightened his arms around me, and kissed me on the forehead. *"Davis we can do whatever you want, whenever you want except for now I want to go to sleep so I can see your smiling face in the morning."*

With that I went back to sleep but not before smiling and taking one last glance at his feet before I closed my eyes.
