

## Tickling among warriors

**Anime:** Digimon

**Characters:** Takuya X Kouji

**Contains:** Tickling

---

It was a pretty normal morning in the digital world, except this time Takuya decided to leave the others behind to do a little recon scouting in the area for evil digimon. Of course there were none nearby as this was an empty village. "Man...There's nothing to do around here." He yawned and started walking back...but a hand on his shoulder caused him to jump and turn around with a scream ready to fire it up at a moment's notice.

Takuya what are you doing? Koji said with a smile

The brunette clutched his chest and after a few heavy breaths he sighed. "Hey Kouji don't you know not to sneak up on people?" He put his hands on his hips in an annoyed sort of way.

"I guess not" Koji said holding his head down slightly, "but you left without saying anything and I wanted to make sure that you were alright."

Takuya sighed while thinking...That's just like Kouji, thinking of others even before himself..."Well as you can see I'm just uhhhh...out for a morning run yeah." He jogged in place for a bit a smiled behind his little white lie.

"Oh really now," Koji asked with a sly smile, "Then I guess you wouldn't mind if I tagged along."

Takouya gulped for a bit. "Uhh n-no it's perfectly fine." He beckoned him to follow and together they did some laps around the area before Takuya collapsed onto his butt completely out of breath.

"Wow \*pant pant\* I guess I'm not as fit as I used to be."

"\*pant.....I guess I'm not ether,\*pant.....Pant...»

Takuya grinned for a second then got slightly evil idea...he had always wondered if the warrior of light was more ticklish then he let on to. After all on the beach they had only gotten his ribs...but there were so many other places Takuya knew about thanks to his little brother. "Uh hey Kouji, wanna have a contest?"

"What?!!!!!!!!!!!!!!" Koji asked jumping up, "What kind of contest?"

Takuya laughed and thought for a second. "Alright, the first one to the edge of the village and back to that well over there...gets to make the loser do whatever he wants...deal?" He got a smug smile on his face, if Kouji was as out of breath as he thought he should be able to win this easily, after all Kouji wasn't the kind of person to go back on his word.

"Ok, Deal," Koji agreed, Man If I'm not careful I'll be in big trouble.

The hotheaded youth got into a runner's position he saw on TV before and counted down, "Ok ready? Three...two...ONE!" Both boys took off immediately. "Ha...ha...I'm winniiiiing!" He pulled ahead by a few inches and already he thought he was winning.

"I'll get you!!!!!!!!!!" Koji yelled kicking it into high gear and pulling ahead of Takuya. Man he's fast guess I'll just have to be faster.

Takouya tried keeping up his best. "Hah is that all you go...» It happened in an instant, he was so close to getting ahead when he got a cramp in his left hip. "Oh man oh man not now!" He had no

choice but to let Koji get ahead and eventually win as he trotted back to meet him at the well.  
"\*sigh\* ok ok you win."

"Are you alright Takuya?" Koji asked with a bit of concern. "Okay first here let me help you with that cramp," He said as he started to massage Takouya's leg

Takuya blushed a bit as he leaned against the well while the raven haired youth was massaging his cramp away. "Uh...w-wow Kouji your really good at this." He gulped and shivered when he hit a sensitive area. "Uhhehehe I-I thinks it's gone now."

"Are you sure ok then time for your punishment," koji said looking the brunette over. "Okay then where to start," he said descending upon the young warrior of flame.

Takuya grinned sheepishly. "Wh-what are you gonna do?" He has really gotten in it deep now, he had no idea how Kouji's mind worked, and since he lost the bet he had to do whatever the warrior of light asked.

"Okay takuya," Koji said as he stated taking of Takuya's shoes and socks. He stopped and marveled at Takouya's feet, so soft and smooth. He started to gently tickle Takouya's feet.

Kouji had beaten him to it, he didn't think Kouji would want to tickle him but it happened...and he immediately started giggling like his brother used to. "Hhehehehahahha ohohoh mahahnahahahaha it -it ticklehehehehes!" His feet twitched with every motion of Kouji's fingers.

Gee I wonder why, Koji thought to himself as he started to pick up the tickle torture on Takouya's feet. Man I would hate it if he found out I was this ticklish. "Tickle tickle tickle, oooh does that tickle?" Koji teased in a baby's voice.

Takuya soon was dissolved in heavy laughing fits as he gripped onto the well for support. " GAHAAHAH STAHAAHHPHAAHAHT THAAHAHATHAHAH." It was odd, but somehow the brunette actually enjoyed being teased in such a way...but he was going to make sure to get Kouji back for this somehow.

Koji then started to move up Takouya's legs onto his hips and dug in even harder than he did on his feet. "How does this feel Takuya? does it tickle? Koji then started to laugh along with Takuya.

Takouya practically exploded with laughter at this point; his hips were one of his worst spots to tickle. "AHHAAHAHHAHHAHA NO NOT THEHEHEREHAHAHAHAH." He bucked uncontrollably now trying to get Kouji off, but his friend had the perfect grip on him and he wasn't going anywhere.

Seeing how Takuya was bucking so uncontrollably he decided that maybe he should let him rest before he passed out. "Ok Takuya I'm going to let you rest for a bit." He getting off, bummer it was just getting interesting.

Takuya sunk to the ground still giggling. "Oh my gahahwsh Kouji...how did you get that good at tickling?" He grinned up at his friend innocently and tried to shake to get the ticklish sensations out of his body before round two.

"Well I've had a little bit of practice on Tommy," koji admitted blushing.

Secretly Takuya was a bit jealous at that but he dismissed it. "You know I'm gonna get you back for this Kouji." He grinned evilly but he was still too weak from tickling to jump at the black haired boy right now.

«I know," Koji said shaking a little," So are you almost ready for the next part?"

Takouya thought about it but eventually he just nodded. "Yeah yeah okay have fun." He leaned up against the well and mentally prepared for it.

"Okay if you think so, but first I need you to put your hands out in front of you," Koji said as he removed his bandana.

Takouya obliged, but he secretly wondered what Tommy must have gone through. "S-so where are you starting this time?"

"You'll see....." Koji said as he started to tie Takuya's hands together behind his back. After he completed that he dug his hands into Takuya's sides. "How's that?"

Takouya let out a quick yelp before struggling to hold in his laughter...it didn't work that well. "Hehehe is thath hahaha all you gohot?" He was asking for trouble, but why not some fun of his own have while he was under this pressure.

"You're going to get it know boy," Koji said as he continued up to Takuya's armpits and back down again. He then continued back down to Takuya's hips once again. There he concentrated on full force. Takouya screamed now, he kicked a bit but he knew it wouldn't do anything. "GAHAHAHA OKAY OKAHAHAYAHAAHA IM SAHAHAHRYAHAAHAAHA!" His entire body now was shaking from the tickling and he was twisting around to make it harder for Kouji to get his hips in one place.

"Okay takuya are you ready for this?" Koji said as he started down Takuya's legs back to his feet. Takouya curled his toes protectively at first and gritted his teeth; anything he could do would help. "Bring it on!" He closed his eyes for a moment, it started slow at first but eventually the feeling got to him and he had to look to see what Kouji was doing.

Koji Held back Takuya's toes and started to scratch in between his toes and on the pads of his feet. "Don't try that stuff anymore, Takuya" Koji said with a smile. Man even Tommy didn't last this long once I started on his sides.

"Grrrrrrahahahaha oh plehashehahahahaha ill do anyhythinghahaha oh ohohohahahahaha!" The brunette's face was completely red at this point, and sweat was drenching his forehead.

"Anything?" Koji said with a smile.

Takuya nodded while still laughing his head off. "Hahaha yeheshayaahahahyehehehshahahaha!" His words were barely audible but his constant nodding gave the clear hint.

"Okay very well then," Koji said stopping the assault on his feet.

Takouya struggled against his ropes but in the end he just pulled in his feet to protect himself. "S-shoo what is it you want me to do?" He was breathing hard and his hair was sticking to his head after his hat fell off.

Koji then bent down and removed his own shoes and socks. «I want you to massage my feet." Koji said smiling knowing that he had broken not just one but two of the digidestened.

Takuya didn't see anything wrong with it; in fact this might be a good opportunity to test his rival.

"Ok then, but first you need to untie me." He motioned to his back and tugged on the bandana.

"Oh I'm sorry takuya I forgot that I had you all tied up," Koji said as he untied the bondage on his friends hands. He finished untying it and put his feet in Takuya's lap.

Takuya rubbed his wrists before starting his work on Kouji's surprisingly soft soles. First of course he went deep into his sole and along the arches feeling every inch. "Wow dude these are really nice, what do you do to take care of them?"

"Usually I try to let them air out at night," Koji said smiling and giggling between words. "Also when we rest I try to find a place to soak them."

Takuya giggled. "Wow...i should start doing that too i guess." He went up to the toes and began going over them in earnest, he was rather good at this since every mother's day his mom made him do the same thing. But now he could actually enjoy it.
