Contains: tickling, licking, smelling, foot-jobs and lemon

Like stated above this story contains massive lemon. So if you don't like this kind of stuff you shouldn't read any further.

You're still here? Good. Then I'll tell you some more things. The story may seem bit strange. That's because there was a part of the story missing when I put the pieces of our rp together. We rewrote the part, but then I discovered, that I still had the missing part on my comp. To make a long story short I have mixed both parts and tried to put them in an order that makes sense.

Hadashi's parts may be a bit hard to understand, but that's because he is using a translator. But I still hope you like the story.

Inuyasha was taking a walk in the forest. He had another argument with Kagome and she slammed him into the ground, again. "Damn, Kagome" Inuyasha sulked. Suddenly he smelled something "Kohaku?" He muttered.

Kohaku also returned him of the forest where it went passively during a few hours to forget the memories of the past. But, its clothes were dirty, because it had fallen stupidly into a ch. Yes, it is me", known as it of an evasive air.

(I am slow because I pass by a site of translation on line, sorry)

I see,

" Are you alright? You look all dirty." Inuyasha said with concern.

"Yeee..yeah yeah, I still fell into a hole. Look at my clothes and sandals are full of mud ". He says by looking at his clothing.

" Maybe you should take a bath then? The hot springs are close nearby." Inuyasha suggested.

"why not, but my feet are full of mud, I would not like to dirty a so pure water" said it while reddening

" I can clean your feet if you want. " Inuyasha said.

"Let us see Inu Yasha, I would not dare to let to you clean me the feet", says it with embarrassment

"Why not?" Inuyasha asked, confused.

Kohaku think about a few seconds. "Ok, but I clean you too your feet. Because they are a little dirty "

"Deal" Inuyasha said, sitting down and leaning his back against a tree.

"yeah, a deal", says it while sitting down in the position of lotus, from the feet of Inu Yasha

Inuyasha handed him a tissue Kagome gave him earlier. He wiggled his toes nervously, having second thoughts about it.

"softly, I am very ticklish". The face of Kohaku started to contract itself.

" I'll be careful." Inuyasha promised. Please put your feet onto my lap . This way it's easier for me to clean them." Inuyasha smiled at Kohaku.

Kohaku delicately posed its foot on its lap. It timidly looks at the soiled feet of Inu Yasha.

" Inuyasha looked Kohaku's feet over. They were quite dirty, the mud was already dry. " I'll need water to clean the." Inuyasha explained. . Kohaku withdrew his feet and Inuyasha rushed to the next river, eager to begin his task.

When he returned Kohaku put his feet back in Inuyasha's lap. Inuyasha held the tissue into the bucket with water and started cleaning Kohaku's feet gently. The cold water made Kohaku shudder.

"brrrrr thank you, you grumbles often but you is nice". It taken the left foot of Inu yasha and holded it close to its face. Inu Yasha withdrew its surprised foot.

"W-what are you doing?" Inuyasha asked in surprise.

Kohaku had dreamed for several months to lick the feet hooked of Inu Yasha, as it was dirty was the occasion to do it. But to reassure Inu Yasha, he says "I felt a strange odor, I wanted to check if they were your feet"

Inuyasha blinked in surprise. He took a wiff at Kohaku's feet , too, licking the smell. " Your feet smell good." he told Kohaku, blushing.

(wiff ?)

(smell)

Always blushing, Kohaku says "Your feet smell rank, and I must acknowledge that I appreciate. I would not be you to say why, but I like much. Can I?"

" What do you want to do?" Inuyasha asked nervously. He was very ticklish himself and wanted to keep this a secret.

"please, I would tell you the site of a fragment of pearl in exchange" says it with a sudden passion

Inuyasha's eyes lit up when he heard that. " Okay." he said , still cleaning Kohaku's feet. Kohaku's soles were clean now , so Inuyasha started working on the toes .

"AHAHAHAHAHAHAHAHAHAHA" Kohaku screams with laughter when Inu Yasha started to clean its toes. "softly, I have say to you, please".

" Sorry", Inuyasha apologized, stopping. When Kohaku had calmed down again Inuyasha cleaned his toes softly. " You are very ticklish. Do you like getting tickled, Kohaku?" Inuyasha asked.

Kohaku did not want to acknowledge that he liked to be tickled. It was unaware of the question of Inu Yasha, and seized its foot, and started to smell some under its toes, and started to lick it at the same time. Odor to get a pleasure to him which could not hide.

Inuyasha wiggled his toes, giggling. No one had licked his feet before, it tickled but felt nice at the same time. Inuyasha was done cleaning Kohaku's feet. "He has cute toes. And his feet look really soft, I wonder what they feel like." Inuyasha thought. " Can I feel your feet?" Inuyasha asked, looking away.

Kohaku profited that Inu Yasha agitates its toes to pass its tongue between the toes. "Of course, you can", says it with a smile. It positioned correctly in front of InuYasha and tightened its foot. "do your stuff! ". Kohaku seizes the other foot and started to smell it.

Inuyasha gently felt Kohaku's feet. For a boy that was barefoot most of the time his feet were surprisingly soft. Inuyasha liked the feel of Kohaku's feet. Inuyasha laughed, Kohaku's tongue licking between his toes really tickled. (Gey , watch it." Inuyasha said, tickling Kohaku's soles playfully.

Kohaku forgot its past since it had started to have fun with Inu Yasha. At the beginning, it was felt reluctant by the nails pointed of Inu Yasha, but it appreciated its sole of its foot. Its feet started to become wet and after all, the odor was always present.

" You still haven't answered my question." Inuyasha said, referring to if Kohaku liked getting tickled. " Maybe I have to tickle it out of you." Inuyasha was in a playful mood. He held Kohaku's toes back with one hand and raced the claws of his other hand over Kohaku's small soles.

Kohaku groans a small cry of pleasure. "I acknowledge that I like much when you tickle me with your claws". Kohaku seizes again the foot of Inu Yasha and placed it on its chest. "Let us play!"

Inuyasha nodded, . He let go of his toes and started playing with them. He played this little piggy with Kohaku's toes, smiling at the reaction he got from Kohaku. Then Inuyasha began tickling all around and between Kohaku's wiggling toes, making him laugh more. Inuyasha's doggyears moved back and forth excitedly Kohaku's cute laughter being music to him.

" AAAAAAH AHAAAAHA AAAAHHH! GO OON! yeeeahahahahahaa!" Kohaku is twisted in all the directions. It laughs with the tears. "Stoooooop", but Inu Yasha did not listen to it, it continued... Suddenly, Kohaku posed its foot on the low belly of Inu Yasha.

Inuyasha stopped in surprise. " Is something wrong?" He asked, feeling sorry for not topping when Kohaku had told him to.

Kohaku smiles to Inuyasha. "No, you did not do anything of wrong ". It taken the foot of Inu Yasha and it put 3 toes in its mouth but its foot was always on the low belly. Inside its mouth, it passed its tongue between the toes very quickly, then it withdrew the foot to suck the big toes. While the foot of Kohaku started to slip of the low belly, and low...

Inuyasha blushed when he felt Kohaku caress his private parts. He took Kohaku's other foot and licked from the heel up to the toes. His tongue was rough like a dog's, making Kohaku laugh in ticklishness,

Inuyasha started licking all over and in between Kohaku's toes, making him laugh louder. Inuyasha also used his claws to tickle his soles, while licking and sucking on his toes at the same time.
(Your turn)

At this point in time a noise was made heard in a tree. Timorous Kohaku, started and pushed abruptly Inuyasha behind. It was a bird. Kohaku was put at four legs on Inuyasha. With its feet, Kohaku blocked the arms of Inuyasha and started to tickle the feet of this last with its teeth for thenibble..

Inuyasha burst out laughing .." Kohaku stop. hahaha. That tickles hahaha." Inuyasha squirmed on the ground, unable to do a thing to stop Kohaku from tickling his feet. His ticklish feet were his greatest weakness.

Hadashi? Are you still there?

Ha Da Shi dit :

Kohaku do not stop, and had a malicious pleasure to tickle it. It felt the pleasure of his playmate of increasing. Inuyasha and Kohaku perspired more and more.

Inuyasha managed to take hold of one of Kohaku's ankles and brought his foot to his mouth. He started sucking on his toes, his free hand scraping its claws over Kohaku's sole. Inuyasha concentrated on the arch, where Kohaku was very ticklish. He was laughing hard, but enjoyed the tickling, being aroused by getting his feet tickled.

After this hour of play, Inuyasha falls asleep peacefully, leaving Kohaku on its body. Kohaku continued to feel the feet to him, this strange odor did not weary it. It contemplated these feet white, these feet perfect. It ends up removing the top of the clothing of Inuyasha to admire its beardless chest.

Inuyasha stirred in his sleep, his eyes snapping open in surprise. Kohaku looked at Inuyasha smiled at him. " It's okay." He said, tickling Kohaku's bare armpits playfully. "He looks cute, especially when he laughs" Inuyasha thought.. : " You should smile more often. This sad expression doesn't fit you." He said, still tickling him.

Kohaku continues to smile and approaches face of Inuyasha. And will surely "This smile, the first for a long time, is for you. You did all to me to forget". Kohaku gives a kiss to Inuyasha, and passed its hand in its hair.

Inuyasha deepened the kiss and started to explore Kohaku's mouth. He wrapped his arms around Kohaku, holding him close while his hand went to Kohaku's hair and untied his ponytail. Kohaku's brown hair fell over his shoulders, making him look even more beautiful. Still kissing Kohaku, Inuyasha started playing with the boy's hair, running his fingers through the soft, brown mass.

Kohaku scooped up a green sheet and started to cherish the face of Inuyasha. The sheet which traversed with softness all the recesses of the face went down to the chests. Inuyasha started to have spasms to laugh. Kohaku stopped and continued on the feet. His/her companion started to tighten his toes.

Inuyasha laughed loudly. He never believed that a blade of grass (that's what you mean, right`) could tickle like that. The light tickling made his toes wiggle uncontrollably.

Kohaku abruptly stopped tickling Inu yasha and started to have a perverse glance. It was washed and moved in direction of the old pit. It took the bucket out of wooden, and cut the cord. It turned over towards his companion with a given glance. It seizes Inu Yasha and attaches its chest to the tree. Inuyasha was too surprise to struggle . When Kohaku was done tying him , Inuyasha tested the ropes, they held on tight. Inuyasha told himself to be more careful next time. Kohaku may look innocent, but he he certainly wasn't a normal child. " What are you doing?" Inuyasha asked, annoyed and nervous at the same time.

Kohaku did not pronounce any word. It seized the foot of Inu Yasha to lick it with a glance fixing that of her friend. Then, kohaku tightened its foot on the low belly of Inu yasha, and went down gently, to finish on the zone of the pleasures.

despite of the suprise of Inu, it felt the pleasure of going up. With his foot, He madeto-and-from movement.

Inuyasha closed his eyes and moaned in pleasure. "Kohaku..." . Inuyasha closed his eyes enjoying the wonderful sensations from his feet and genital, the foot licking adding to his pleasure.

Whereas Kohaku took pleasure to smell and to lick this foot. It started to put its hand in its trousers and to seize its member already quite large. It left it and started to shake very extremely, the seminal liquid to start to spout out. It spread its saliva on the two feet

Kohaku left its sex and started to jerk off, under the eyes of her executioner. He accelerated her movement with its foot and felt the sex of Inu Yasha inflated. It passed his tongue frantically enter its toes

Inuyasha could smell the others arousal, which turned him on even more. Inuyasha imagined tying Kohaku down and tickling his soft feet while pleasuring the teen at the same time.

We stopped here. It's my turn now

okay ^^ thank you

No problem

Inuyasha moved his hips upwards, pressing his erection against Kohaku's foot. Watched Kohaku jerk off was the most erotic sight Inuyasha had ever seen. Inuyasha moaned in pleasure, soon joined by the slight moans of Kohaku.

Inuyasha closed his eyes and thrust his hips forward to increase the feeling Kohaku's feet gave him. The hanyou continued to lick the boys feet. He nibbled Kohaku's arches, tickling him with his teeth.

Feeling the pressure caused by the pseudo demon and the pleasure of making nibble the foot, Kohaku seized the top of the trousers of Inu Yashu to the assistance its toes and gently began all to descend it in order to reveal at the great day this form which was then dissimulated.

Inuyasha blushed when Kohaku pulled down his pants. But he liked the pleasure Kohaku's foot brought to him and licking his soft soles added to his arousal. His rough tounge went for Kohaku's toes, wrapping itself around the toes.

Kohaku made emerge the animal, under this revelation it started to draw aside two toes in order to wedge it, then made a movement to the bottom, then downwards, while accelerating. It knows with

its hands the feet of Inu Yasha, where it posed its nose under its toes bestial where the odor was strong and insupportable. And with its language, it licked the sole.

Inuyasha giggled and moaned at the same time. Kohaku's tongue tickled but it also felt nice against his sole. Wrapping his mouth around Kohaku's toes Inuyasha started sucking on them, enjoying the taste. He was getting hornier by the minute and his member was soon at its largest size.

Kohaku felt the erection of her playmate. It felt an intense pleasure, a pleasure so strong that only one tear ran. "Oh, Inu Yasha, still contract you" groans Kohaku. Inu Yasha contracted several times. Kohaku ends up leaving her sex and jerk off vigorously.

Inuyasha closed his eyes and rested his head against the tree, enjoying the intense pleasure running through his body. When the pleasure died down Inuyasha opened his eyes and watched Kohaku jck off. " If you untie me I can help you. Inu smiled lecherously.

"I will untie your bonds after this" says Kohaku with his greater smile. Kohaku posed its hand on the chest of Inu Yasha and placarded it against the tree. It dropped and curled up the legs. It placed its sex between the two feet of Inu Yasha and it started to pose its lips on its sex. Kohaku's lips felt hot on his genitals" He sure has some imagination." Inuyasha thought., smirking. Inuyasha started stroking Kohaku's erection with his feet, pressing his soles against his penis from both sides and moving them up and down.

It could foresee the animal forms in spite of the tumult. It heard its breathing changed when it stroked this part tidily. Then it did not obstruct to support a little more extremely. Kohaku sucked with softness the delicious sex of Inu Yasha. Its rough tongue gave blows on all the member

Inuyasha gasped and shuddered in pleasure when Kohaku started sucking on his penis. Inuyasha's feet started caressing Kohaku's sex as well. The hanyou's tongue darted in and out of Kohaku's toes, licking the skin between them rapidly. Inuyasha was totally lost on the moment and his eyes were clouded by pleasure.

Kohaku played with its language and to titillate the penis of the hanyou. To absorb it on several occasions. It ends up lengthening and wedging its own sex between the two feet with the hooked nails and started to make movements of coming and going. But it did not release the pointed sex of the pseudo demon and continued to lick it.

OH YES. This feels so good." Inuyasha moaned. He caught Kohaku's penis between his feet and moved them up and down, pumping Kohaku's member. His own sex was throbbing and small drops of pre-cum escaped him, which Kohaku licked up happily.

Inuyasha moaned louder, liking the feelings Kohaku created in him. Inuyasha moved his feet faster, making Kohaku moan in pleasure.

"yeeeeeeaaaaaaaaah", groans Kohaku. It licked the end of the sex of Inu Yasha, then its tongue scraped top beats some, and finishes by gulp down. When Inu Yasha pressed with its soles, it gave several blows of kidney..

The seminal liquid ran with flood of the two friends. And Kohaku swallowed with pleasure.

" Kohaku..." Inuyasha groaned, feeling close to orgasm. Kohaku's sucking and licking was sending jolts of pleasure along the half demon's spine. Inuyasha now caressed the tip of Kohaku's cock with his toes, making the other shudder . His tongue happily lapped away at Kohaku's feet.

Kohaku could not be retained any more, because of the feet of Inu Yasha. "yeah yeaaaaah stooooop", shouted Kohaku. It me to enjoy itself there répendant its sperm on the feet hooked her friend. But it did not cease its blows of kidney which had become very extremely. The fellatio which it offered to the demon was increasingly fast.

"I'm coming." Inuyasha grunted, shooting his semen into Kohaku's mouth, while Kohaku's own semen covered his feet.

One could read an intense pleasure in the eyes of kahaku which licked the lips. Inuyasha was panting heavily, his golden eyes clouded over by pleasure.

The two companions sweated after this plays between friends. Kohaku was posed against inu yasha, its head against its chest.

Inuyasha smelled Kohaku's hair. He licked the smell and buried his face in Kohaku's soft hair.

At this point in time Kohaku tired by their play, started to close the eyes and to fall asleep with the noise of the sheets caused by the wind.

" Just great. Who is going to untie me no?" Inuyasha mumbled quietly in annoyance. But he couldn't be angry at Kohaku and soon a smile appeared on his face as he watched Kohaku sleep.
