Chapter 3

The two demons began to fight over Inuyasha's feet and who he belong to. Inuyasha got the apple out of his mouth. Looking at the two face red. The two demons began to give hard shoves and punches.

"Mine."

"Mine."

"mine."

"I said mine wolf."

"No mine you mutt."

"I don't belong to either of you. And I don't like or want anything to do with either of you." Inuyasha cried out.

He was lucky enough to get his ropes cut and run unnoticed by the two.

"Mine"

"No Mine."

"Mine"

"Hey he's gone."

"Where the hell did he.."

"See he left cause of you mutt."

"No you wolf."

"You"

"You."

They both realized that they were wasting precious time in finding Inuyasha and his feet. Those sweet sweet feet.

Sesshomaru looked at Kouga .

"Race ya." Kouga smirked.

"Wolf."

With that they ran out after Inuyasha.

Inuyasha ran through the forest trying to escape the two demons they were planning on having a creepy foot fetish with him. A shudder passed through him. Running was all he could do now to get away from them.

"Where do you think you're going Inuyasha." A cold voice intoned. Inuyasha froze and turned around.

"Umm getting far away from you as possible. You creep." Sesshomaru ignored this. Sesshomaru looked at him.

"Look at your feet Inuyasha. There ruined. Now I'll have to wash your feet all over again."

Inuyasha backed up.

"There is no way in hell I'm letting you near me again." Inuyasha stiffened as a very strong arm wrapped around him.

"See I told you he want's me." Kouga said laughing then whisperng in Inuyasha ear. "Don't worry my little strawberry I'll take care of you." With that Kouga took off with the half demon.

Kouga ran untill he reached a cave. "You o.k my little straw berry?" Kouga asked.

"Don't call me that!" Inuyasha called out. Kouga threw him on the ground and befor he could get up wolves held him down. "Be carefull of his feet. I don't want them damaged." Kouga ordered. "Now don't get up I'll be right back." Kouga said running off to get straw berries. 'No no no no no not this.' INuyhas thought. Kouga was back with strawberries. "All right hold his legs straight." The wolves did as told Inuyasha was embraessed that he couldn't break free Kouga placed Strawberries on each of his toes then smeared the rest on his feet. The he went to the left foot and began to eat and suck on the feet.

"What do you think you are doiong wolf?" Sesshomaru asked him it had taken him at least an hour to find them and the sight he saw was getting him mad. How dare anyone touch those feet they belong to him and him alone. Not this mangy wolf who was probably covered in ticks and who know's what. Kouga looked up licking his red strawberry lips. "Simply enjouisng strawberry here." Kouga said as if that would explain everything. "Now if you don't mind I want to enjoy my strawberries." Inuyasha through out this whole time was cursing up a strom.

"You guys are sick freaks. And demented."

Kouga thought of something to try get the angry dog lord from killing him. As he was comming closers.

"Why don't you join me?" Kouga asked that stoped Sesshomaru and Inuyahsa.

"What?"

"Well I got on foot you can have the other and I've got plenty of strawberries for us. So how about it?"

"No no no no no no no no no. NO!!!!!!!!!!!!!!!!!!!!!!" Inuyasha cried out. Sesshomaru moved down and began to eat his little brothers feet. "You guys are sick you know that sick."
